SBYC DINNER SHOW MARCH 20

For a rollicking good time during an evening filled with fun, laughter, and excitement, plan now to attend the Shelter Bay Yacht Club Dinner Show on Saturday, March 20, commencing at 5:30PM. Included in the bargain price of \$9.50, will be a spectacular all-new show put on by the very popular **Wild Women of Woolley** (and a few good men) and a complete Italian dinner with libations.

The Wild Women of Woolley are noted throughout Skagit County and beyond for their hilarious and most entertaining lip-syncing musical shows. The highly talented troupe who perform in over-the-top costumes and props always bring the house down whenever they perform. Last year alone they put on 17 performances and appeared in three parades. Though every one of their 20 members is over 68 years old, they perform with the energy and enthusiasm of teenagers.

They will have with them the 2010 version of their famous pin-up calendars which will be on sale for \$5.00 each with all proceeds going to the Skagit County Hospice. Members of the renowned group dressed up in their best costumes (or in some cases undressed) to pose for this collectors-item calendar. Even if you feel it's too late in the year to purchase a 2010 calendar, it's hoped that every yacht club member will purchase at least one. Not only will you have a novel and delightful calendar but you will also have donated to a very worthy cause.

The dinner is an all-you-can-eat Spaghetti feed with green salad, hot garlic bread and a delicious dessert. Also included will be plenty of red or white wine, coffee or soda pop. Table settings will be provided so there will be absolutely nothing to bring unless you want a different beverage.

The Wild Women of Woolley last performed for the SBYC in October of 2004. That event was attended by a capacity crowd. Unfortunately, some disappointed members were unable to get reservations. Don't let that happen to you this time. **Reserve EARLY by calling Cherry at 466-0576.**
