Question 3

How willing are you to repair or replace one or more pools without a lease extension or new lease?

 Copy

213 responses

- Very willing - I want an operable pool while lease negotiations are taking place
- Somewhat willing - it's not ideal however I don't want to continue to wait to have an operable pool
- Not at all willing – I don't want to invest in a pool until the lease issue is finalized

Prior to the closure of the Shelter Bay pools for Covid, how often, if at all, did your household use the pools?

 Copy

213 responses

- Often – Pool usage was part of my/our regular routine
- Occasionally – We used the pools from time to time
- Rarely – We did not use the pools

Which pool did your household use most often?

 Copy

213 responses

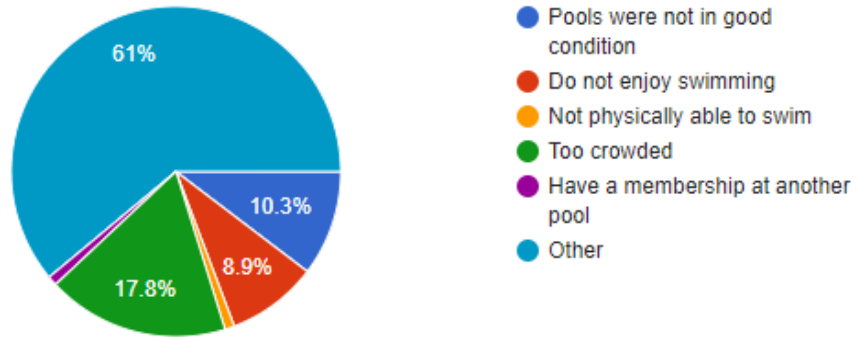

- Lower pool
- Upper pool
- Used both equally
- Did not use either pool

What kept you from using the pools more?

 Copy

213 responses

What was the primary reason your household used the pool(s)?
