### 20.030 Appeals from committee decisions

#### 20.030.020 Appeals to rules committee and board of directors

All appeals shall follow the same basic procedure. The following are the guidelines for the procedure and other pertinent advice regarding appeal matters.

- A. Definitions
  1. "Reviewing Authority" – the Rules Committee or the Board of Directors.
  2. "Appellant" – the community member, his/her representative or committee filing the appeal.
  3. "Affected Party or Parties" – any community members who would be affected by the resulting decisions of the committee, Rules Committee or Board of Directors.
- B. Process
  1. The appellant must initiate an appeal within 30 days of a decision. Appeals filed after this 30-day limitation shall not be heard.
  2. An appeal may be initiated by any community member or by any standing committee of the board of directors by filing an Appeal Request Form as attached to this chapter. For community members a fee is required in accordance with the Schedule of Fees. Simultaneous appeals from two or more standing committee decisions are to be made separately; however, they require only one fee if it is found the appeals are interrelated.
  3. An appeal of an initial fine levied by the Rules Committee shall be made back to the Rules Committee. The Rules Committee appeal decision may then be appealed to the Board of Directors. The Board is the only authority that can mitigate or make compromises on a fine.
  4. The appeal must clearly state the decision(s) being appealed and the grounds for the appeal. Any additional documents must be submitted with the Appeal Request Form. The opening statement of the purpose of the hearing will be based on the appeal form and documents.
  5. Upon receipt of the Appeal Request Form and accompanying deposit, the Board Secretary or the Rules Committee Chair, as appropriate, shall determine if the Appeal Request Form is complete. If it is deemed incomplete, it shall be returned to the appellant stating the area of deficiency and requesting that the completed appeal form be resubmitted to the reviewing authority within 10 business days.
  6. Appeals must be made in succession to the rules committee and finally to the board of directors.
  7. The president/chair of the reviewing authority shall schedule an appeal hearing and determine whether to again offer mediation to the parties as provided for in Chapter 20.020. If mediation is pursued, the appeal

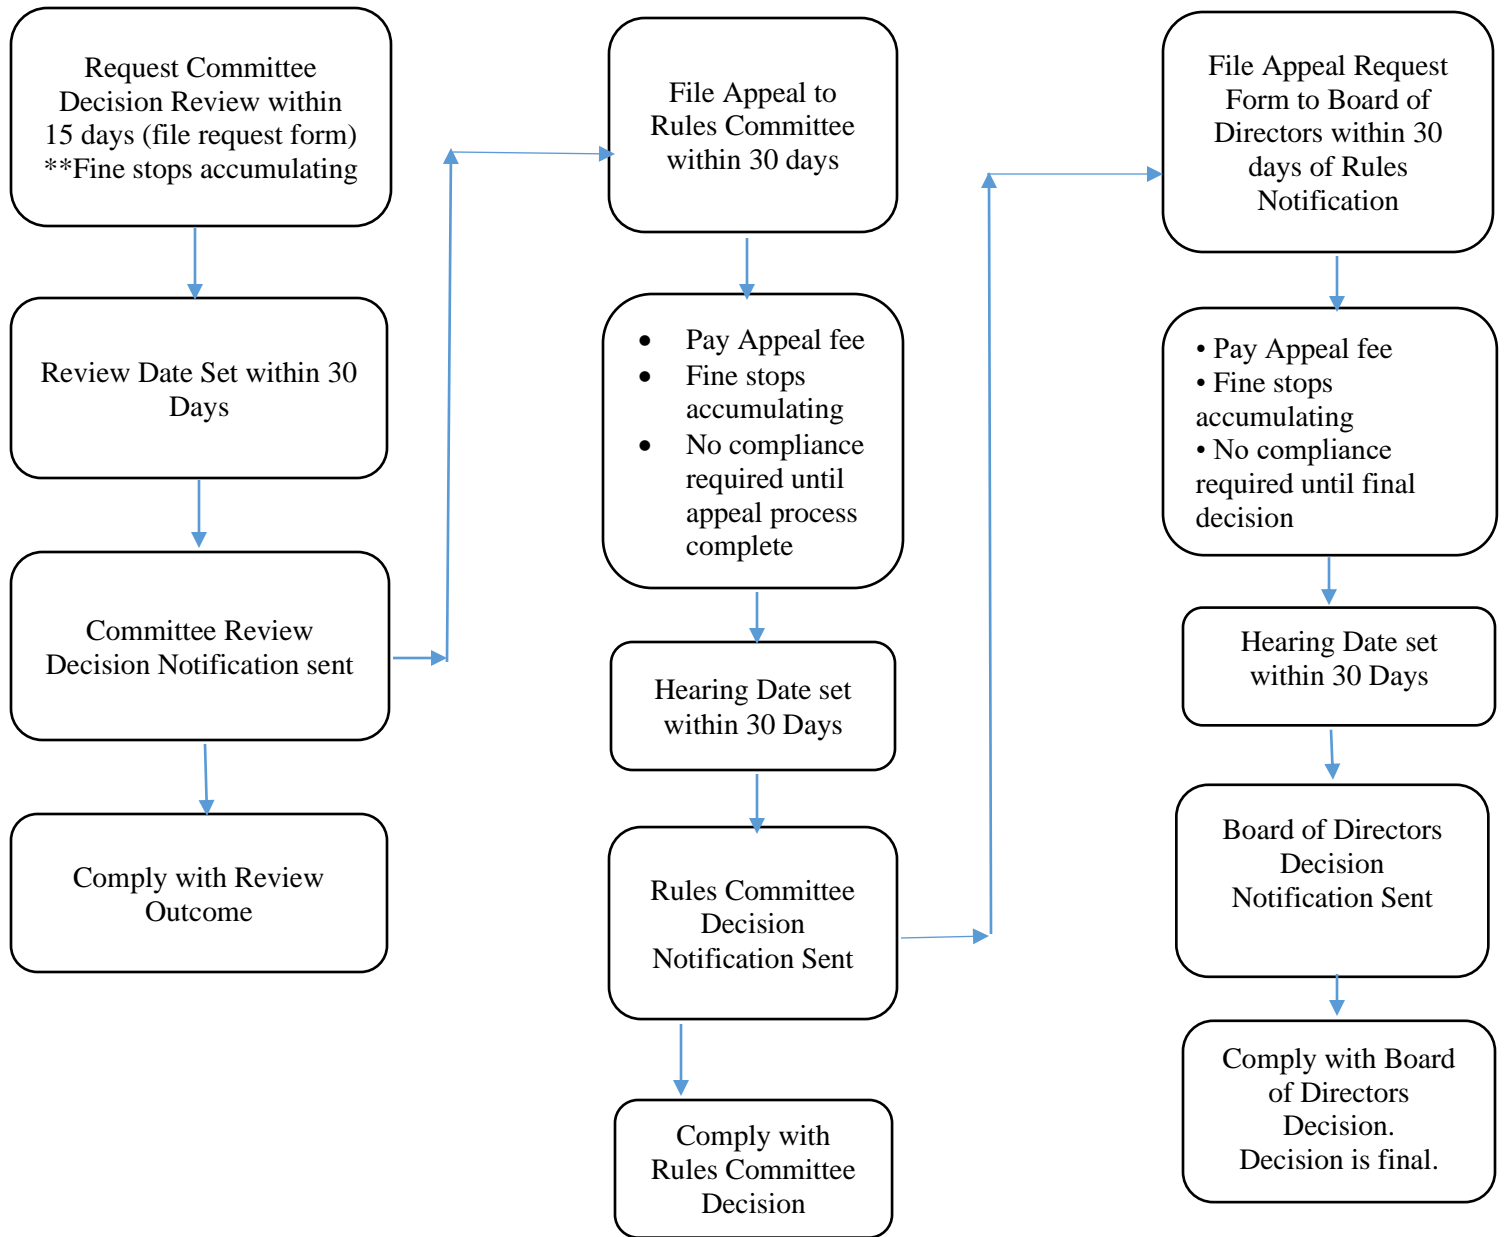

process will be held in abeyance until mediation is completed. If through mediation the dispute is resolved in compliance with the requirements of Shelter Bay, the application will be returned to the permitting committee for final ratification. Upon official notice by either party in the mediation that mediation has failed to bring resolution to the dispute, the appeal process will resume. The scheduling of the appeal hearing will be accomplished within 7 business days of receipt of the appeal.

8. A quorum of the reviewing authority members shall be present for all appeal deliberations.
  9. The reviewing authority secretary shall prepare and post a notice of the time/date/purpose of the hearing in the business office and mail a copy of the notice to the appellant, affected party or parties, and deliver a copy to the chairpersons of affected committees.
  10. The secretary will also request that pertinent documentation, minutes, and other documents be submitted by the committee involved to the reviewing authority no later than 7 days prior to the appeal hearing. The secretary of the reviewing authority shall make the submitted documentation available to reviewing authority members at least 5 days prior to the hearing.
  11. Hearings before the reviewing authority shall be tape recorded, and the tape recording becomes a part of the documentation of the hearing. The recordings shall be kept until all known administrative appeals with regard to the particular case are exhausted.
  12. When the reviewing authority makes its final decision on an appeal, it will issue a written summary of facts and conclusions. The reviewing authority will notify the appellant and affected party or parties of its decision in writing by U.S. Certified Mail. The appellant will be notified of the right to further appeal a Rules Committee decision to the Board within 30 days after receipt of notice of such decision.
  13. The board's decision is final for the community.
  14. After the final decision of the reviewing authority, records pertaining to the appeal will be maintained in the appellant's lot file.
  15. Upon completion of the appeal process an appellant, who is a member in good standing and has prevailed in their appeal, shall have their appeal deposit returned. Authorization for the return of deposit will be by the Board President and the Rules Committee Chair, or their designees, in coordination with the Community Manager.
- C. Appeal Hearing Procedures

The following procedures will govern the conduct of a hearing:

    1. A speaker for each side shall be given 5 minutes to state the case, starting with the appeal side. Speakers will direct their testimony to the actual committee decision and applicable community policies which are the subject of the appeal before the reviewing authority. Speakers who make comments deemed to be of a personal or derogatory nature toward committee or other community members will be brought back to the point of order by the chair.
    2. Other participants, when recognized by the chair, may each have 5 minutes to add pertinent remarks to the record.
    3. Members of the reviewing authority will be invited to ask questions, in rotation, of the participants. Questions may be pursued, if to the point. A second question may be asked in rotation, but not before all members have had a chance to ask a first question.
    4. After all questions have been exhausted, the speaker for each side will be given 2 minutes to provide a closing statement.
    5. After the closing statements and upon the passage of a motion, the reviewing authority shall recess the regular session and convene in executive session to consider the evidence presented and reach a decision. The reviewing authority shall then adjourn the executive session, reconvene the hearing by returning to regular session, and ratify any decision(s) made in the executive session. If deemed necessary by the reviewing authority, the executive session may be recessed and then reconvened at a specified date and time. The reviewing authority's chair/president shall notify the appellant of the decision by certified mail.
    6. The appellant may request a copy of all documents pertinent to the case and held by the reviewing authority.
