

Traffic and Crowd Management

September 13, 2025, 9AM to 1PM
ShelterBay Clubhouse

In this approximately four-hour module, participants will learn:

- 1) how CERT Basic Training skills relate to crowd and traffic management;
- 2) effective communication strategies to direct traffic and crowds;
- 3) crowd management skills and how to put together a basic crowd management plan; and,
- 4) using traffic control devices to safely manage traffic in various situations and how to put together a basic traffic management plan.
