

2025 SWINOMISH YACHT CLUB BOAT PARADE PARTICIPANT DETAILS

Hello,

We are excited that you would like to participate in the lighted Christmas Parade this upcoming Saturday, December 13th but want to ensure everyone is on the same page to make this a safe experience for all participants.

Below is a map of the parade route. We are starting at 6 pm at the La Conner Marina South Basin Guest dock.

Theme: This year's parade theme is 'I'm dreaming of a White Christmas'. We hope to see everyone shining bright under the moon with their boat aglow. If you can figure out how to get it to snow, you would be a strong contender for the best decorated boat. Please be mindful of how your decorations are attached though so they don't end up in the water or fly away. We want to be good stewards of our environment.

Safety Regulations: We ask that parade participants adhere to all safety regulations, including having life jackets on board for all passengers, functioning navigation lights, and any other equipment required by local maritime laws. Also make sure your marine radio is in working order as we will be using VHF Channel 9 to give parade instructions and communicate with the parade coordinators on land as the parade is underway. We will have local law enforcement participating in and leading the parade.

Jame Witzel
