## Shelter Bay Maintenance Team

Say hi when you see one of our multi-talented maintenance guys. In addition to servicing our water and sewer facilities, most recently they have painted our community street lines, mowed a lot of grass, and prepared the grounds for the renovated playground.

Clockwise from top-left: Gary Singleton, Supervisor Robert Vandeventer, Marc Kulakowski, Patrick Chaires, Tristen Rosales, Brandon Nelson, and inset, Larry Jepson.

## CPR/Basic First Aid/AED Class For New and Recertification

Still time to catch up on your CPR skills for school, work, or personal improvement.

## Greetings from your Community Manager

Dear Shelter Bay Community,

I am truly honored to be selected by the Board of Directors as your new Community Manager. For those that do not know me, I have served as the Executive Secretary to the Board of Directors and to the Rules and Finance Committees for just over five years. In that time, I was able to become very familiar with all aspects of the operations of Shelter Bay, so after serving as the Interim Manager for a second time, I felt it was the right decision to apply for the Community Manager position, allowing for a smooth transition for both staff and the Community. I thank the Board for putting their trust in me and all my well-wishers for their support.

My policy is an open-door policy. If you need something or are new and want to just get to know the more detailed ins and outs of Shelter Bay, give me a call and I'd be happy to chat.

I also want to thank the Shelter Bay staff for their support and hard work during this transition. We have a lot going on right now from the Playground Project that is almost completed here by the office to seasonal ditch mowing, and ongoing Firewise work. There is never a shortage of things to get done, and I believe that we have one of the best crews in my years here at Shelter Bay to handle the day-to-day needs of the community.

### Your HOA Dollars at Work: FYE June 30, 2026 Financial Update

Transparency about HOA finances builds trust and we know that not everybody wants to read the financial statements so here's exactly where your assessment dollars went last year:

| Operating Expenses (Top 5): | Amount      | Examples                     |
|-----------------------------|-------------|------------------------------|
| Payroll & Benefits          | \$1,120,000 | (Admin & Maintenance Staff)  |
| Professional Fees           | \$65,047    | (Audit, Legal)               |
| Contracted Services         | \$86,999    | (IT, cleaners, pest control) |
| Utilities                   | \$68,793    | (Power, phones, internet)    |
| Committees                  | \$254,884   | (Green, Soc & Rec, etc.)     |

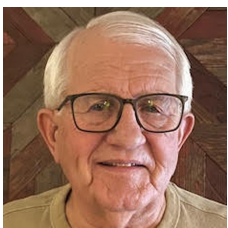

Our Operating Net Income for the year was \$48K. The Marina Net Income was \$661K, and our investment accounts performed well above expectations for the year. Overall, our finances are in excellent shape. More detailed financial information is available in the monthly Board Meeting Agenda Packets. You can view these either online at <https://shelterbaycommwa.pilera.com/page/board> or by calling the office.

The projects that will be underway in the next few months have been reported in the Board meetings, however, here is a short list of the more prevalent upcoming ones so that if you have questions, you may reach out to either myself, Project Manager Lawson Earl, or the Facilities Committee for details. We finished the ADA ramp (Thank you, Monte Hicks) for the pool area to restrooms. We will begin some painting projects, the water main replacement project, and clubhouse flooring and acoustical improvements in the upcoming days and months.

Happy Fall, everyone!

*Ann Serwold, Community Manager*

## Board President's Message

Now that we are heading into fall, Halloween is almost here. Be sure to enjoy the Trunk or Treat sponsored by the Social and Rec Committee. Everybody that participates does a great job decorating their "trunks".

The Board continues to look at projects to improve life in Shelter Bay. The Playground Renovation project on Shoshone Dr. will be completed this month, and the rest of the equipment to be installed is under review with the Facilities Committee. The Water Main Relocation project will finally see construction begin in a few weeks, and we continue to gather information for the bank stabilization of the channel shoreline at Rainbow Park.

The September Board Town Hall was attended by several residents. There were several constructive questions posed by residents resulting in a lot of information presented to the community.

I am looking forward to working with our new Community Manager, Ann Serwold. Having worked with Ann in her roles as Executive Secretary and as Interim Manager since I became Board President, I have found Ann to be a real asset to the Shelter Bay Community.

*Monte Hicks, President, Shelter Bay Board of Directors*

## FD #13 News

Skagit Fire District #13 CARES Program is honored to introduce two new members to the team: Braden Stanovich and Connor Parkerson. Both have been FF/EMT's with District #13 for 3-4 years, and both love this community. If you see them around town, stop and say Hi! They'd love to meet you, and if you haven't heard of the CARES program, they'd love to tell you about all of the services and what they have to offer.

<https://skagitfire13.net/community-outreach-programs/>

Additionally, our CARES and Wildland Teams have officially started offering Residential Wildland Assessments. If you would like your property to be assessed for potential risks in the event of a wildfire, feel free to contact us and set up an appointment. Contact them at **(360) 399-1027**.

## Dock Notes

As the autumn leaves begin to turn and the morning air gets a bit crisper, October brings some of the most beautiful and unpredictable boating days of the year. While we are all hoping for a few more calm, sunny afternoons on the water, fall also means it's time to keep a close eye on the horizon. Inclement weather and late-season storms can roll in quickly, making it the perfect time to review your severe weather plan. In this month's issue, we're sharing essential tips on doubling up on your lines, reducing windage, and ensuring your vessel is completely storm-ready before the autumn gales arrive.

Here are some tips to think of for getting your vessel ready for stormy weather.

**Double the dock lines.** Add extra bow, stern, and spring lines to distribute the load during heavy winds.

**Set extra fenders.** Hang fenders at varying heights and positions to protect the hull from high winds, and put extra on the opposite side to protect you from your neighbor if they get blown into you while they dock.

**Remove or secure canvas and biminis.** Take down or secure all bimini tops, T-tops, and bridge enclosures, as high winds can easily damage them or send them sailing!

**Secure loose gear.** Store cushions, life rings, grills, flags, and deck chairs inside the cabin or in your dock box.

**Dock box latches.** Please ensure that your dock box is closed and the latch is secured. With heavy winds, having your dock box open can allow the lid to fly open and damage the box.

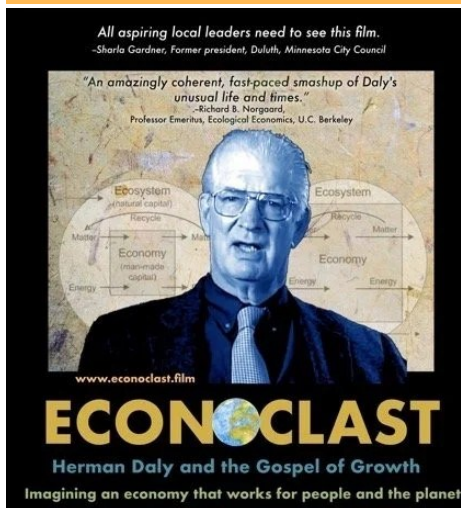

**Shore power connection.** Make sure your shore power cord is secure and twisted tightly into the receptacle. Please refrain from wrapping cords around the electrical pedestal. Please use the hanging arm located on the side.

**Wishing everyone a memorable and safe remainder of the 2026 boating season!**

*See you in the Marina! Your Harbor Team: Derek, Steve, and Kendra.*

## Communiversity - Econoclast

**When & Where:** Monday, October 26, 6:30 p.m. Clubhouse.

**Please Note:** Due to presenters' availability, this presentation will be held on a Monday.

**Producer John de Graaf, Music Composer Michael Bade, and Artist Lisa Bade** will provide Q&A after the film screening.

**ECONOCLAST** is a 45-minute documentary on Herman Daly—the economist who broke ranks with the World Bank and the entire growth-obsessed discipline to warn that the economy was on a collision course with the planet. A quiet visionary with a rebel's clarity, Daly saw the crisis coming decades before the world was ready to hear about it.

The film brings together leading ecological economists, activists, historians, and students to illuminate Daly's most urgent ideas.

This is a fast-paced, visually interesting movie with interviews of young economists, and compelling footage.

## HAM Radio Club

Greetings to Shelter Bay ham radio operators, CERT volunteers, and anyone interested in knowing more about the magic of radio!

This message is to announce an informal get-together planned for Wednesday, October 14 at 7:00 p.m. in the Shelter Bay Coquille Park building located at Shelter Bay Drive and Coquille Way (next to the pickleball court).

We have quite a few hams residing in Shelter Bay and know that there are others that are interested or are already studying to take the test for a license. Let's get to know each other.

Radio communications is an asset to the community and to every family that has this capability—especially in an emergency. Fire District 13 is looking for volunteers to provide radio communications during emergencies. They will have a representative at the meeting.

This initial meeting will be for introductions, an assessment of areas of interest, to discover those that would like to mentor others, and maybe a show-and-tell or two. No prior knowledge or expertise is needed. Our goal is to form the "Shelter Bay Amateur Radio Club."

Please join us: Grant Gifford W7SMS and Rod Proctor KI7ZI.

## Community Events in Shelter Bay

**Men's Fireside Gathering - Thursday, October 1, at 4 p.m.** BBQ Pavilion.

**Trivia Night - Saturday, October 10, 5:30 - 7 p.m.** Enjoy a fun evening challenging your knowledge with your friends and family. Recruit your team of four or join a team that evening. The questions will be from four categories: Arts & Music, Science & Invention, Entertainment & Celebrity, and Geography & Nature. Grand prize for the winning team is a La Conner restaurant gift certificate. Bring an appetizer to

share and BYOB. Clubhouse.

**Women's Breakfast Potluck - Tuesday, October 13.** All Shelter Bay women are invited to come enjoy the monthly breakfast. A dish to share is welcomed but not required. Social time begins at **8:45 a.m.** and the breakfast buffet opens at **9:15 a.m.** Clubhouse.

**Apple Cider Squeeze - Saturday, October 24, 10 a.m. to noon.** Please bring clean, sealable containers to take home fresh cider. You may bring your own apples and pears, but it is not necessary as apples are generously purchased by residents David and Anita Anderson for this annual event. This is a family-friendly, hands-get-sticky event. After clean-up, a light lunch will be served for the apple squeezers. BBQ Pavilion.

**Trunk or Treat - Saturday, October 31, 4 - 5:30 p.m.** Please decorate your car, your trunk, or a wagon. Let the autumn season spark your imagination for distributing candy and treats. Perhaps have a challenging game to play. Let's create a spooktacular event for kids and kids at heart! Sturgis Sweets Kettle Corn will provide kettle corn. Marina parking lot.

**Halloween Costume Party for Adults - Saturday, October 31, 6 - 7:30 p.m.** Prizes for the top three best costumes. BYOB and bring an appetizer to share. Clubhouse.

## Social & Recreation Plans: And You Attend

Where do families and Goats go to have fun?

September SRC community socials included an energetic bingo and ice cream night. Calling the numbers using his versatile actor's voice,

was Jim. When the bingo crowd asked for more time, he slowed down the number callouts. There was one table that was feeling the wins but was happy to share as the evening went on.

And on a blue-sky afternoon, the Shelter Bay Sport Car Club brought out their finest for our residents to view. There was a GTO Goat, a wind-up Mercedes, a 1970's Honda Gold Wing motorcycle, and so much more for everyone to talk about cars. SRC provided the local pizza: an easy, portable food for socializing.

And get ready to flex those mental muscles. Gather your teams of four for **Trivia Night. Saturday, October 10, 5:30 p.m.** Winning team receives a La Conner restaurant gift certificate. The questions will be from four categories: Arts & Music, Science & Invention, Entertainment & Celebrity, and Geography & Nature.

## Shelter Bay Sport Car Club 2nd Annual Tour and Show

The second annual Shelter Bay Sport Car Club Tour and Show featured 24 beautiful cars and their owners who participated in a tour of fields, farms, and forests to the shores of Lake Whatcom, followed by a show hosted by the Social and Recreation Committee at the BBQ pavilion. The show also attracted numerous community members who came to see the fine collection of special vehicles and chat with the drivers and navigators. From Volkswagen to Mercedes, Ford to Pontiac, with some Italian spice thrown in for good measure, it was a wide-ranging display of automotive wonderfulness. Look for our next event in the spring as we build on this success. To join our email list, contact [ken@olsenassociates.net](mailto:ken@olsenassociates.net).

## Newsletter Delivery

Want to be among the first to hear the news?  
Frustrated by late mail delivery of the newsletter?

### Here's the solution:

Step 1: Contact the office.

Step 2: Tell them you wish to receive your newsletter via email.

**That's it!** By switching to email, you will get instant delivery while helping us cut down on postage costs. It's a win-win!

## Autumn Comes to Shelter Bay

The pumpkin patch, revealing itself under the huge squash leaves, will be harvested soon. Strolling around Shelter Bay's community gardens, you will find our own pumpkins nestled among the fall flowers. Thanks to our

volunteer gardeners who thought ahead and planted the seeds in the spring so that we may enjoy eye-catching colors after summer has bid us adieu.
